

340SX10.70x3.72x1.20M

## Long range cruising

The Integrity ships are available in sizes from 34 - 65 feet. There are 18 different models and designs, all built in polyester. A great choice of models, **Eurotrawlers** a great range of family cruisers, **SX Range** enhanced elegance. **SXPlus** has a semi-displacement hull for more speed. **Coastal Express** a range to explore the sea, luxury in style with great outdoor living space and raised pilothouse. All ships are spacious and very well finished with seaworthy hulls and an economic fuel-consumption. The Integrity company is a reliable and very experienced company and deliver her ships with CE certificates B. Swanta-yachting is your contact and listen to your special wishes regarding style and specifications to built your own Integrity (Semi custom built) Our pricing is competitive, including shipment from the shipyard to an European destination. Ofcourse we offer guarantee on construction, technique and osmosis and our dealers service you with an exellent after-sales.
