New Integrity 470 CE PLUS

Introducing the new Integrity 470CE PLUS Coastal Explorer. The new PLUS range represents the next step in the evolution of Integrity's tried and tested motor yacht design, with all the style, safety, comfort and reliability that are hallmarks of Integrity, and now with a whole new pace.

The new Integrity SX PLUS range features the styling enhancements of the popular Integrity SX model with the addition of a higher cruising speed for those seeking greater performance.

The all-new CE or Coastal Express features a new contemporary look and feel to appeal to a new generation of boating families. Both the SX PLUS and CE PLUS range maintain the core Integrity DNA of spacious entertainers' zones, covered cockpit, side walkways for safe, easy access, and now, owners can opt for genuine higher speed cruising. If you're looking for a perfect weekender or an adventurous long-range cruiser, and with a size to suit any boating lifestyle, you're sure to find your fit with Integrity.
